

ECAS User Manual

The European Commission Authentication System (ECAS) is the service allowing users to access most of the digital systems developed or used by the European Institutions.

The purpose of this manual is to explain how to register in ECAS for the first time and how to change your password or personal data.

Please notice that once created in ECAS, the same login and password is to be used for any system under ECAS authentication Managed by the Commission.

Privacy Statement

Privacy statement for users registered with the European Commission's Identity Management Service

1. What is the Identity Management Service?

The European Commission's Identity Management Service (IMS) provides a common way for users to register or be registered for access to a number of different Commission information systems or services (referred to hereafter as sites). You are affected by this privacy statement if you use the European Commission Authentication Service (ECAS) when logging into Commission sites, as it means that you have been registered in IMS.

Users include the Commission's own staff, personnel of other organisations and members of the public.

Registration may occur:

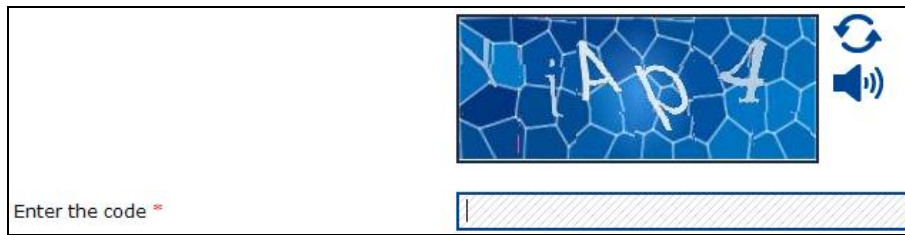

- ▶ at the initiative of a user or of the organisation that the user belongs to or represents
- ▶ by means of an automatic transfer of information from the user's organisation to the Commission
- ▶ by means of direct entry of the relevant information by the user

IMS includes facilities for authenticating registered users and controlling their access to Commission sites.

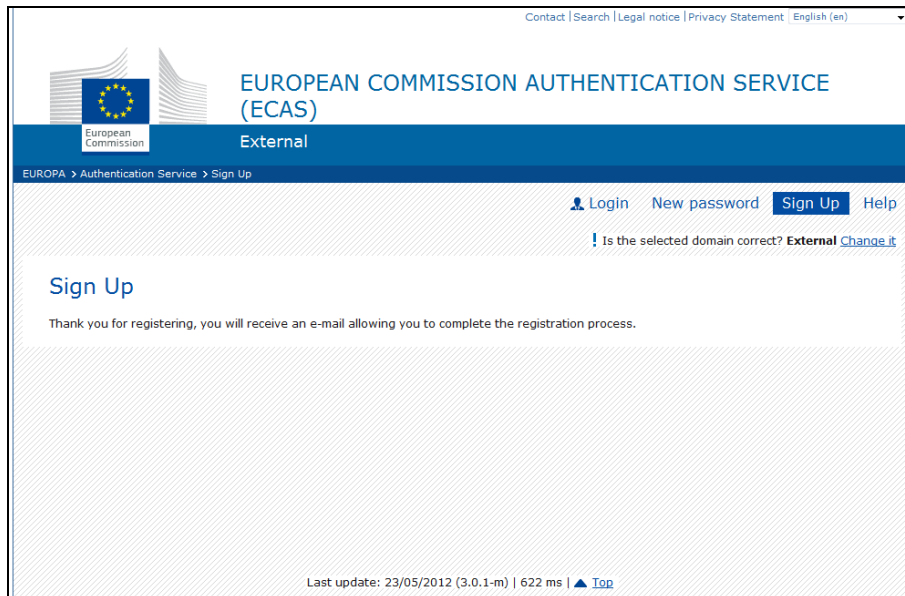

In each case, the personal data that is recorded is governed by Regulation (EC) 45/2001.

IMS falls under the responsibility of the Controller, Mr F. García Morán, Director General, Informatics DG. Further responsibility lies with

6. Enter the characters that appear on the security check image. If they are not clear enough click on "Try another" for a new captcha picture.

7. Click "Sign up" button. A confirmation message will be displayed.

8. Within minutes an automatic email will be sent to the mailbox indicated in the User Registration Form. The email message will contain a user name for the new account and a link to create a new user password.
9. Click on the link in the email. You will be directed to a website to create a new password for your account.

Please note, you have 90 minutes to create a new user password. If the email doesn't arrive or you've missed the 90 minutes deadline, please use "Forgotten password" procedure described further in this document.

10. Fill in the form. Please pay special attention to rules of the password. We suggest using the email address as username in ECAS.

11. Click "Submit". A confirmation message will be displayed.

12. The process is now completed. You can now login to ECAS with your email address (or login name) and password you've just created by clickin "Login" on the first page.

Keep your login and password in a safe place. Please use your email address as your login name in the ECAS application.

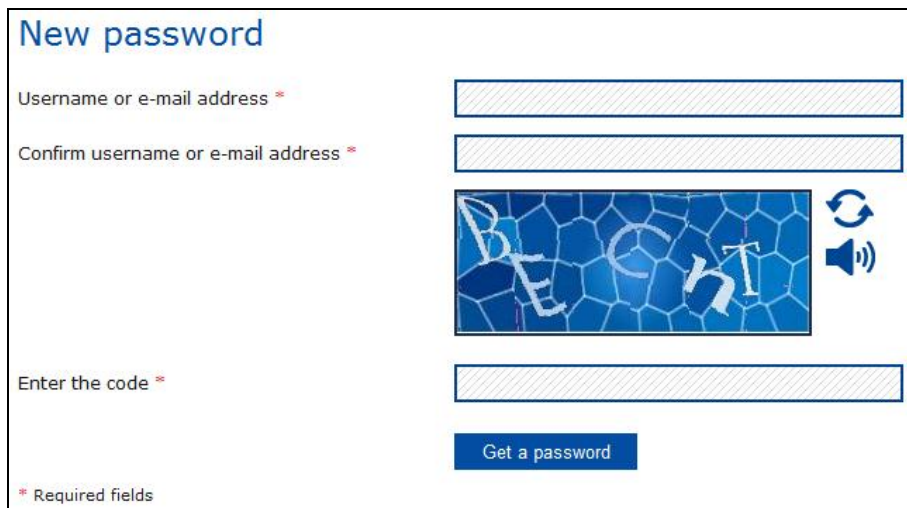

Forgotten password (average time: 5 minutes)

The "Forgotten password" process can also be used for changing password. In both cases – password change and reset in case of forgotten password – process is exactly the same.

1. Open the following page: <https://webgate.ec.europa.eu/cas/>

2. Click "New password"
3. Fill in the new password request form using your ECAS registered email (or username).

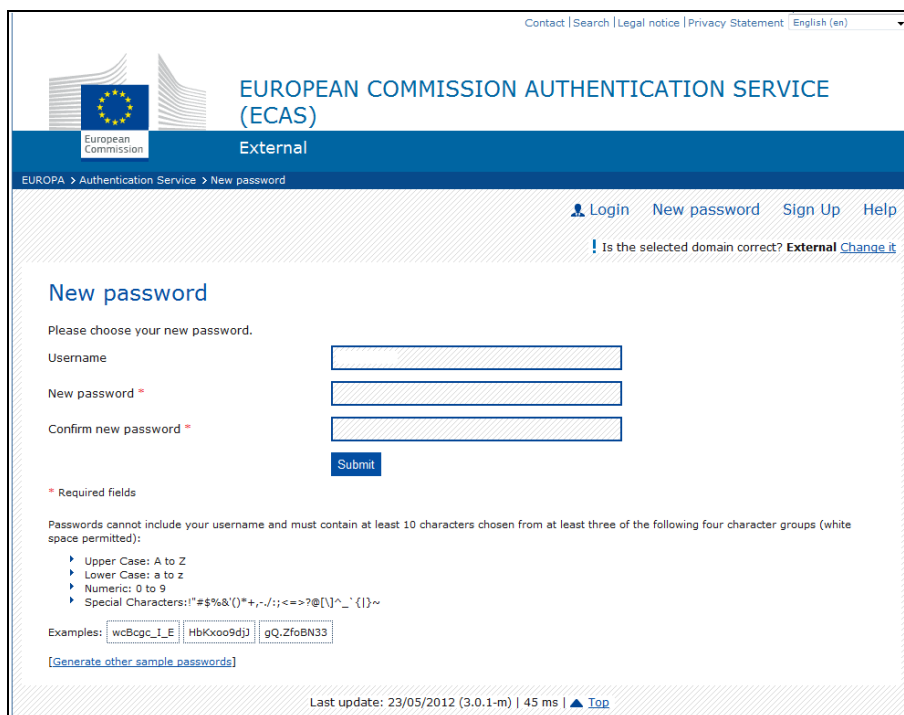

4. Enter the characters that appear on the security check image. If they are not clear enough click on "Try another" for a new image.

5. Click "Get password" button
6. An automatic email will be sent to your mailbox.
7. Click on the link in the received email.

Please note, you have 90 minutes to click on the link in received email in order to reset or change your password. If the email doesn't arrive or you've missed the 90 minutes deadline, please repeat the process. For further information or support, please check the last section of this document.

8. Fill in the new password form. Please pay special attention to rules of the password.

A screenshot of the 'New password' form on the European Commission Authentication Service (ECAS) website. The page header includes the European Commission logo and the text 'EUROPEAN COMMISSION AUTHENTICATION SERVICE (ECAS) External'. The breadcrumb trail shows 'EUROPA > Authentication Service > New password'. Navigation links for 'Login', 'New password', 'Sign Up', and 'Help' are present. A warning message asks if the selected domain is correct. The form itself has three input fields: 'Username', 'New password *', and 'Confirm new password *', followed by a 'Submit' button. Below the form, there are password requirements: 'Passwords cannot include your username and must contain at least 10 characters chosen from at least three of the following four character groups (white space permitted):' followed by a list of requirements: 'Upper Case: A to Z', 'Lower Case: a to z', 'Numeric: 0 to 9', and 'Special Characters: !"#%&()*+,-./:;<=>?@[\\]^_`{|}~'. Examples of passwords are provided: 'wc8cgc_l_E', 'HbKXoo9dJ', and 'gQ.ZfoBN33'. A link to 'Generate other sample passwords' is also present. The footer indicates the last update was on 23/05/2012 (3.0.1-m) and includes a 'Top' link.

9. Click "Submit". A confirmation message will appear.

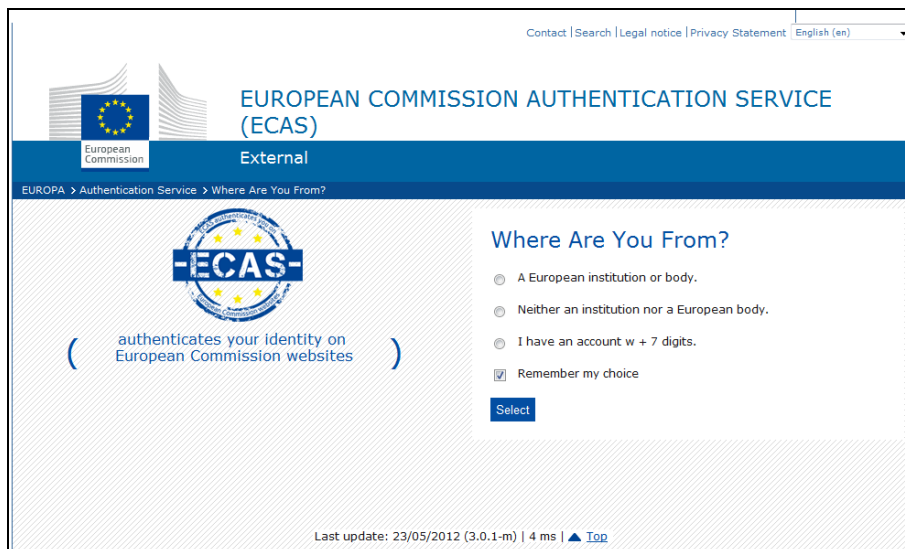

Change of first name, last name or email address (average time to complete: 5 minutes)

1. Open <https://webgate.ec.europa.eu/cas/> website and login.

The screenshot shows the ECAS login page. At the top, there is a navigation bar with links for Contact, Search, Legal notice, Privacy Statement, and a language dropdown set to English (en). Below this is the ECAS logo and the text 'EUROPEAN COMMISSION AUTHENTICATION SERVICE (ECAS)'. A blue banner contains the European Commission logo and the text 'European Commission'. Below the banner, there is a breadcrumb trail: 'Intracomm > Authentication Service > Login'. On the right side, there are links for 'Login', 'New password', 'Sign Up', and 'Help'. The main content area features a large ECAS logo on the left and a login form on the right. The form includes a 'Login' button, a link for 'Not registered yet', and a question 'Is the selected domain correct?' with a 'Change it' link. Below this are input fields for 'Username or e-mail address' and 'Password'. There is a 'More options...' link and another 'Login' button with a 'Lost your password?' link. At the bottom of the form, there are icons for 'Mobile phone', 'Token', and 'eId'. A footer note states 'Last update: 23/05/2012 (3.0.1-m) | 6 ms | Top'.

2. Make sure your domain is set to External. If not, click "Change it" and select "Neither an institution nor a European body"

The screenshot shows the 'Where Are You From?' selection page. The top navigation bar is identical to the previous screenshot. Below it, the breadcrumb trail is 'EUROPA > Authentication Service > Where Are You From?'. The main content area features a large ECAS logo on the left and a selection form on the right. The form has the title 'Where Are You From?' and three radio button options: 'A European institution or body.', 'Neither an institution nor a European body.', and 'I have an account w + 7 digits.'. There is a checked checkbox for 'Remember my choice' and a 'Select' button. A footer note states 'Last update: 23/05/2012 (3.0.1-m) | 4 ms | Top'.

3. After the login, click "Account information". A page with your details will appear.
